Analysis by wiredminds

Our website uses a counting pixel technology provided by wiredminds GmbH (www.wiredminds.de) to analyze visitor behavior. If necessary, data is collected, processed and stored, from which user profiles are created under a pseudonym. Wherever possible and reasonable, these usage profiles are completely anonymized. Cookies can be used for this purpose. Cookies are small text files that are stored in the visitor's Internet browser and serve to recognize the Internet browser. The collected data, which may also contain personal data, will be transmitted to wiredminds or collected directly by wiredminds. wiredminds may use information that is left by visiting the websites to create anonymized usage profiles. The data obtained without explicit consent of the affected person will not be used to personally identify the visitor of this website and will not be merged with personal data of the bearer of the pseudonym. Whenever IP addresses are recorded, their immediate anonymization takes place by deleting the last number block.
